

ANITA 2024 workshop schedule

The ANITA workshop will take place on Wednesday through Friday, February 7–9, 2024.

The workshop will take place in a hybrid format: in person at Monash University in Melbourne (Clayton campus, 10 College Walk, Large Seminar Room 107). Registered participants will receive a zoom link by e-mail for remote access.

All talk slots are 15 minutes long: 12 minutes for the talk and 3 minutes for questions + changeover. Given the tight schedule, talks must start and end on time. All times are AEDT.

We will attempt to record all talks for the benefit of ANITA members with scheduling conflicts. If you do not wish to have your talk recorded, please contact Ilya Mandel.

All participants are obligated to read the ASA Code of Conduct before the meeting and to follow it throughout, including in questions and zoom chats: <https://asa.astronomy.org.au/membership/conduct-and-ethics/>.
